**STORAGE BINS
9" Deep**

814-038

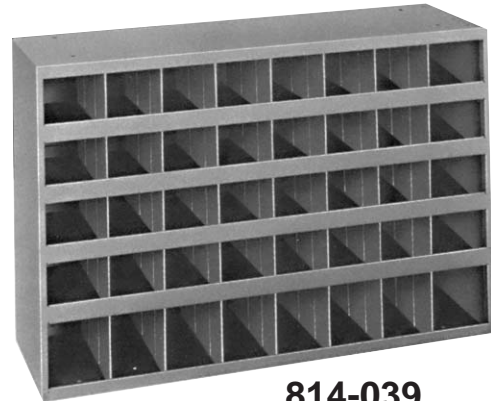

Durham's 9" deep Bins feature the same quality construction as the 12" deep models described on page A38. They are ideal for use when floor space is at a premium or the full 12" depth is not needed. All 9" deep Durham Bins are modular and easily combined to make larger units. Stock parts are accessible, and a 1-1/8" ledge on each shelf provides space to hold labels for content identification.
