

# VELCRO®

## THE NYLON TAPE FASTENER

The VELCRO® fastener is a completely adjustable, versatile, light-weight, jam-proof fastener which cannot rust or malfunction. It consists of two all-nylon tapes...one covered with a myriad of finely woven monofilaments formed into permanent hooks (hook tape); the other, covered with soft nylon loops (pile tape).

**PRESSED TOGETHER, THEY FASTEN TIGHTLY.**

**TO SEPARATE, SIMPLY PEEL APART.**
