Literature Racks

Présentoirs à documentation

Durham Literature Racks provide a convenient and compact way to store literature and still keep it readily accessible and visible, with the tops of literature exposed for easy identification. Keyhole slots are provided for wall mounting. Most models accommodate 150 standard 8-1/2" x 11" sheets, while others are wider, to hold magazines and special forms. Three 360° rotating literature racks (814-762, -763 and -764) are capable of holding a wide assortment of standard size literature in minimum space.

Horizontal Racks

Durham sturdy all-steel horizontal racks, designed for floor or desk-top use, provide handy storage for computer printouts. They are rigid, will not warp or twist, and are shipped set up ready for use. These racks are modular, and may be arranged vertically or horizontally. Fasteners are provided to join individual units. Models with six or eight openings are available, and shelves have label holders to identify contents. All racks are finished in Desert Tan baked enamel. Horizontal printout racks may be combined with horizontal literature racks.

Horizontal Data Organizer

Data organizers are designed specifically for storing and organizing computer printouts and reports. These all steel units are finished in desert tan baked enamel and may be arranged horizontally or stacked vertically. Label holders for content identification are provided. Rubber feet are included to protect surfaces on desks and files.
