Cold rolled steel finished in rust and acid resistant baked enamel is the fabricating material. The use of vertical supports in construction results in great strength and allows Durham Drawer Cabinets to be stacked, regardless of the weight involved. The no-drag drawers have two embossed runners for smooth easy travel. The possibility have two embossed runners for smooth easy travel. The possibility of the drawers slipping out of the cabinet has been eliminated by a positive stop mechanism. Drawers for all Durham Drawer Cabinets offer double interlocked design resulting in unequalled rigidity. Handles are the full width of the drawers and are raised above the drawer so that the full front is available for identification. The sides of each drawer are designed to hold dividers on one inch centres. Two dividers are provided with each drawer. They have a special snap-in feature which keeps them snugly in place yet easily removable.

These all steel Drawer cabinet Systems come complete with their own rugged bases. They are manufactured on automated tooling to provide uniformity. Only prime cold rolled steel is used, and they are finished in rust and acid resistant baked enamel. Drawers feature a special interlocking design resulting in superior strength. Each drawer comes with two high impact plastic dividers. They also include full width handles, embossed runners for smooth, easy opening and positive stops to prevent spilling.

STORAGE BINS
12" Deep

Designed as heavy duty units for storing a wide variety of parts, Durham Storage Bins are extremely sturdy as the result of being welded throughout on especially designed machines. Durham Storage Bins, produced of heavy gauge steel, finished in rust and acid resistant baked enamel, will not warp, twist or sag out of alignment. Fully hemmed lips on each bin keep parts securely in place and eliminate the possibility of spillage.

All Storage Bins come in GREY BAKED ENAMEL.

All Storage Bins come in GREY BAKED ENAMEL

KEY STOCK RACK
Designed to hold material used in the manufacture of keyways which generally run from 1/8 inch square up to 3/4 inches square and approximately 12 inches long. Offers a total of 10 compartments for the convenient storage of stock of 10 different sizes. Keyhole slots permit wall mounting. Contents not included.

WELDING ROD CABINET
Holds standard welding rod up to 18 inches long. There are six openings, each 18-1/2 inches deep by 4 inches high by 5-1/4 inches wide.

THREADLED ROD CABINET
Separates and holds threaded rods, as tall as 36 inches (914.4 mm) and as short as 13 inches (330.2 mm), in 18 separate compartments, 2 inches (50.8 mm) in diameter.
In addition to a wide variety of bins, cabinets, racks and drawers designed for the storage of small parts, SPAENEAUR also offers a number of units designed for specialized storage applications. Like all other SPAENEAUR products, these special storage units are produced of prime cold rolled steel finished in rust and acid resistant baked enamel utilizing a specialized design technique which minimizes the possibility of warping, twisting or sagging out of alignment. Note possibility of combining storage cabinets and storage bins.

No. 814-008
Special base for storage bins and cabinets. Base information can be found on page A131.

Aerosol/Utility Products

These cabinets are ideal for storage of aerosol cans and utility items of all kinds. Our two vertical models each feature two adjustable shelves, a hinged door with two friction catches, a plated door handle to make opening easy, and key hole slots for wall mounting. Interlocking, welded design provides these aerosol/utility cabinets with maximum strength.

The rugged, all steel aerosol can caddy offers convenient storage for up to six aerosol cans. It can be easily wall mounted using key holes provided.

All aerosol/utility products are prime cold-rolled steel and finished in an acid/rust resistant grey baked enamel.

Storage / Organizers / Accessories
Rangement / Organiseurs / Accessoires

High quality, all steel storage cabinets and door trays are designed specifically for use in outfitting trucks and vans. For applications including fastener storage, public utility, service vehicle, electrical, plumbing, TV repair, mobile food service, or sign painting, these units are ready to install. Both cabinets and door trays are reinforced for rigidity, and designed to handle extra weight. Regardless of the parts, tools, or supplies to be stored, these truck/van storage products from SPAENAUR are the perfect solution.

814-046
(with tray cover)

814-736

Durham Door Trays are produced with horizontal sections; each rounded section has slots for adjustable dividers for the convenient creation of individual compartment sizes. Models 814-046 and 814-734 come with 9 dividers.

814-734
(with tray covers)

Durham Storage Cabinets with easy-glide drawers are equipped with unique locking bars to keep the drawers securely closed while the vehicle is in motion. The 814-736 has nine drawers with adjustable dividers for maximum flexibility, and all drawers offer convenient handles. The 814-737 has a single, fixed centre divider in each drawer.
