**Self-tapping**

EACH DRAIN PLUG IS SUPPLIED WITH A FIBRE GASKET  
**CRANKCASE, TRANSMISSION, AND DIFFERENTIAL**

SELF-TAPPING OVERSIZE DRAIN AND FILLER PLUGS FOR ALL CARS AND TRUCKS USING 1/2" TO 7/8" PLUGS. PLUGS ARE LOW CARBON STEEL, CASE HARDENED, ZINC PLATED.

This plug provides an efficient means of repair, and eliminates a costly labour charge when threads are stripped. No drills or taps required; simply screw plug into position with socket or end wrench. (Hold plug in a straight position while threading.) Then remove plug and clean metal chips from slots and replace.

N.B. Thread style at time of shipping - our option.

**OVERSIZE DRAIN PLUGS**

(Not Magnetic)
